

26 March 1963

Headquarters
Civil Air Patrol - USAF
Attn: CPE
Ellington AFB, Texas

You have my permission to establish the James H. Doolittle Achievement
for the Civil Air Patrol Cadet Aerospace Education and Training Program,
provided there is no obligation to me associated therewith.

Every good wish for success in the important work you are doing.

Very sincerely,

J. H. Doolittle

JIMMY DOOLITTLE

Jimmy Doolittle's reply is simple and straight-forward, just what one might expect from the MIT graduate and aerospace engineer who led the heroic mission to bomb Tokyo during the early days of WWII.
