RATING DEFINITIONS

1. Definitions:

Discrepancy. A Discrepancy is any deficiency that is a violation of a CAP directive that results or could result in significant mission impact or widespread mission impact or failure. Discrepancies will include all repeat discrepancies, potential Fraud, Waste and Abuse (FWA) discrepancies and Safety discrepancies. Discrepancies require a written response entered into the Discrepancy Tracking System (DTS - SUI). Check the Inspection Knowledgebase (IKB) for the proper way to clear a Discrepancy. The IKB is found at [Inspection Knowledge Base | Civil Air Patrol National Headquarters \(gocivilairpatrol.com\)](http://gocivilairpatrol.com).

- **(Discrepancy – Repeat)** A discrepancy reported in the unit’s previous compliance inspection that exists again during the current inspection. Repeat Discrepancies are highly undesirable and may indicate a systemic problem with leadership in the unit, in addition to the area under inspection.
- **(Discrepancy – Potential FWA)** A significant deficiency that may reveal fraud, waste and/or abuse of CAP resources.

REPLY INSTRUCTIONS

All inspection discrepancies are to be addressed every 30 days until closed. All discrepancies must be closed within five months of the date of the inspection (CAPR 20-3 9.13). Units not correcting all discrepancies within five months will be prohibited from participating in any CAP activities (including weekly meetings) not related to closure of the discrepancies until all discrepancies are closed. Waivers to exceed the 5-month maximum without restrictions being placed on the Unit must be approved by the CAP/CC and the CAP-USAF/CC.

The Wing IG will close all discrepancies.
